

Technical Data Sheet

03160Z

General

Part Number	03160Z
Description	Rectangular Tray (Zazin 160)
Structure	Multi Layer PP with EVOH Microwaveable, Retort, HPP, Polypropylene Monolayer Microwaveable
Sealant Layer	Easy Peel, PE, PP
Shape	Rectangle
Compartments	1
Recyclable	100%
PCR Content	Black Only
Applications	Case Ready - MAP, Fresh Produce/Seafood with Breathable Lidding, Fresh Seafood, High Pressure Pasteurization (HPP), Low Barrier, Ready Meals - High Barrier - MAP, Retort, Steam Packaging, VSP Easy Peel, VSP Lock Seal
Lead Time	4-5 weeks
Related Lids	Yes
Absorber Pad	Available
Nominal Weight (g)	28
Colors	Black, Clear, Custom, Natural, White
Other Specifications	

Performance

Oxygen Transmission Rate (OTR) 73 °F and 0% RH [L]	.03 - .05cc/tray/24hrs for CPET, High Barrier .01 to .1cc/tray/24hrs for Polypropylene, Non Barrier 1 to 2cc / tray / 24hrs for Polypropylene
Water Vapor Transmission Rate (WVTR) 100°F and 90% RH [L]	< 0.1g / tray / 24hrs
Temperature Performance	Microwave / Chilled / Ambient (32 - 250 F), Microwave and Deep Freeze (-4 to +250 F), Produce Shelf

Food Contact Approved

All raw materials and additives used in the production of this product are approved for use in direct food contact as per FDA regulations. We declare that there are no bisphenols, phthalates, or allergens in our products. Kosher approved.

Performance

All values are typical values and not specification limits. All technical information and recommendations herein are based on tests that we believe to be reliable, but the accuracy or completeness thereof is not guaranteed. Before using, it is the customers responsibility to conduct tests to confirm the compatibility with its intended use.

Embossing

Cavity	Yes

Dimensions

	in	mm
Outer Dimension Length	8.75	222
Outer Dimension Width	6.72	171
ID Length	7.86	200
ID Width	5.82	148
Depth	1.6	41
Diameter		
Volume	30.09 oz	890 ml

Packaging*

	Cases	Totes
Units Per Pack	552	
Weight Per Pack (lb)	36	
Dimensions Per Pack	21" x 24" x 9"	
Sleeves per Layer	N/A	
Cases per Layer	4	N/A
Layers per Pallet	8	N/A
Units per Pallet	17,664	
Pallet Height	81	
Pallet Cube	94.5	
Qty per 53 ft Truckload	459,264	
Qty per 40 ft Container	353,280	
Qty per 20 ft Container	176,640	
Pallet Type	Treated Wood	Treated Wood

*Number of trays per package may vary per package +/- 2% which will be equalized over the total order making the total count accurate
